

MARIST COLLEGE BENDIGO

CHILD SAFETY CODE OF CONDUCT

A Child Safety Code of Conduct lists behaviours that are acceptable and those that are unacceptable. It provides a high-level statement of professional boundaries, ethical behaviour and acceptable and unacceptable relationships. For more detailed guidance refer to the College's Staff and Student Professional Boundaries Policy.

When individuals are clear about behavioural expectations, they are much more likely to act appropriately with each other and with children. When everyone is educated about the Code of Conduct and the reasons it is so important to uphold, the College environment becomes much more transparent and people are accountable for their behaviour. Above all, a Child Safety Code of Conduct helps to protect children from harm.

The Child Safety Code of Conduct set out below is designed to stand alone. It can also be incorporated in whole or part into broader Codes of Conduct that are developed within the College, including other professional or occupational codes of conduct that regulate particular staff at the College. The Code is made available to all staff, volunteers, families and students.

OUR CHILD SAFETY CODE OF CONDUCT

This Child Safety Code of Conduct outlines appropriate standards of behaviour for all adults towards students. The Code serves to protect students, reduce any opportunities for abuse or harm to occur, and promote child safety in the College environment. It provides guidance on how to best support students and how to avoid or better manage difficult situations. Where a staff member breaches the Code, Marist College Bendigo may take disciplinary action, including in the case of serious breaches, summary dismissal. The College revises the Code annually.

Marist College Bendigo has the following expectations of behaviour and boundaries for all adults interacting with students within our College community. This includes all teaching staff, non-teaching staff, Advisory Council members and members of subcommittees, volunteers (direct and indirect), third party contractors, external education providers and parents/carers.

Our Child Protection Program includes a [Staff and Student Professional Boundaries Policy](#) that provides detailed guidance for all staff and volunteers (direct or indirect) on how to maintain professional boundaries between students and adults at Marist College Bendigo.

[Report any concerns](#)

The Program also includes information for members of the Advisory Council and its subcommittees, staff and [Direct Contact Volunteers](#) as to how to identify key risk indicators of child abuse and how to report child abuse concerns to our College's nominated Child Protection Officer.

It also contains detailed procedures with respect to the reporting of child abuse incidents to relevant authorities.

Third party contractors, external education providers, indirect contact volunteers, students, parents or other community members who have concerns that a child may be subject to abuse are asked to contact the College's Child Protection Officer.

Communications will be treated confidentially on a 'need to know basis'.

Whenever there are concerns that a child is in immediate danger, the Police should be contacted on 000.
